Re: PM1267
(+ Reselin pat.)

Spoke to K. Sonnenfeld - he had talked w/John Bass on Monday prior and then sent them copy of petition to extension + amendment in US (of Jan. 4. 90) Is now working on substitute Cl. 1 - and sent draft to OES on Tues. (Had spoken w/Harvey about another proposed claim 1 on Monday but that was rejected)

- do not have copy of proposed claim

Jim reviewed - will relay to Harvey - and approves if H. has no problem with it. A suppl. amendment will be filed in the U.S.

* The foreign will also have to be amended; and Ken has already discussed w/John.
